Dear Parents/Guardians,

The 6<sup>th</sup> grade students are starting a study review for their upcoming 2<sup>nd</sup> nine weeks History Semester Test on Wednesday Jan. 9<sup>th</sup>, 2019. This test will include material from the 1<sup>st</sup> and 2<sup>nd</sup> nine weeks and will count as a test grade for US History class. Students have received a study packet on Monday December, 17<sup>th</sup>. Students are to look at their Study Log to determine what flashcard numbers they are responsible for nightly. I have asked students to study a minimum of 15 minutes each night. However, they need to have mastered that night's flashcard numbers before they stop studying. (This could take longer than 15 minutes.) I have asked students to lightly cross off cards they can answer without hesitation multiple times in a row. This way they can focus more time on "problem" cards. As the nights progress, I told students they can go back and study "problem" cards in addition to the ones of focus for that night. Please sign your child's study log nightly. Students will receive two warm-up quizzes over the flashcards from the night before to make sure they are studying. If you have any questions please feel free to email me at [nkurko@amherst.k12.va.us](mailto:nkurko@amherst.k12.va.us).

Thank you.
